

A Song For You

Nolwenn Leroy

I've been so many places in my life and time
I've sung a lot of songs and I've made some bad rhyme
I've acted out my love on stages
With ten thousand people watching
But we're alone now and I'm singing my song for you

I know your image of me is not what I hope to be
I've treated you unkindly but darlin' can't you see
There's no one more important to me
Can't you please see through me
Cause we're alone now and I'm singing my song for you

You taught me precious secrets of the truth withholding nothing
You came out in front and I was hiding
But now I'm so much better and if my words don't come together
Listen to my melody cause my love my love is in there hiding

I love you in a place where there's no space and time
I love you for my life you are a friend of mine
And when my life is over
Remember when we were together

We were alone and I was singing my song for you
We were alone and I was singing my song for you
We were alone and I was singing my song for you
I was singing my song for you
I was singing my song for you
