We're bad So bad We're bad So bad We're bad So bad We're bad We're bad We're bad We're bad We're bad I feel it in my heart I believe it in my soul But we will never live Long enough to know Restless and curious Down in my gut I know That I will never ever Want what I am told Cos We're bad So bad We're bad So bad We're bad So bad We're bad We're bad We're bad We're bad We're bad

Mama told me from the start Got the same rap at school Heard it so much that now Guess I believe it too
So guess what kinda crowd I hang around with now Being bad is better
Than being nothing at all We're bad!
