

5 Minutes Alone

Nonpoint

I see you had your mind all made up.
You group of pitiful liars.
Before I woke to face the day.
Your master plan transpired.

Something told me
This job has more to meet the eye.
My song is not believed?
My words somewhat deceiving?

Now I'm unwhole.

You waged your war of nerves,
But you can't crush the kingdom.
Can't be what your idols are,
Can't leave that scar.
You cry for compensation.
I ask you please just give us...

5 minutes alone.
Just give me
5 minutes alone, yeah!

I read your eyes, your mind was made up.
You took me for a fool.

You used complexion of my skin
For a counter racist tool.

You can't burn me,
I've spilled my guts out in the past.

Taken advantage of,
Cause you know where I come from
My past.

You've waged a war of nerves
But you can't crush the kingdom.
Can't be what your idols are,
Can't leave that scar.
I'll pay your compensation.

I ask you please just give us...

5 minutes alone.
Just give me
5 minutes alone, yeah!

Head bangs on broken glass.

5 minutes... alone.

Just give me, yeah!

I ask you please just give us...
5 minutes alone.

Just give me
5 minutes alone, yeah!

I ask you please just give us,
I ask you please just give us,
I ask you please just give us,
I ask you please just give us,
I ask you please just give us,
I ask you please just give us,
I ask you please just give us,
I ask you please just give us,

5 minutes alone.
