

# Throwing Stones

Nonpoint

I will stand  
In the path of  
The outcome  
Of my actions  
With conviction  
And the stature  
Of a believer  
And a bastard  
Its the lover  
Versus the fighter  
The monster  
Against the mob  
That controls us all  
Molds us all  
It shows us all  
Who we really are

Throwing stones  
You're just throwing stones  
Until you're satisfied  
(Until you're satisfied)  
Throwing stones  
You're just throwing stones  
Fill that hole inside  
Black hole inside

I will laugh  
In the face of  
The doubters  
Oh, the sheep  
Then they walkin'  
Through their lives like  
They were meant for,  
Absolutely nothing  
It's the drink us  
Versus the bombs going off  
The fire  
Versus incredible stones  
Consumin' me  
Then throw it to me  
But it will make me  
Into what you want

Throwing stones  
You're just throwing stones  
Until you're satisfied  
(Until you're satisfied)  
Throwing stones  
You're just throwing stones  
Fill that hole inside  
(fill that hole inside)

No, not gonna change my mind  
No, not gonna change my life  
No!  
For what you want to decide for me  
For me

For me  
For me..

Throwing stones  
You're just throwing stones  
Until you're satisfied  
(Until you're satisfied)  
Throwing stones  
You're just throwing stones  
Fill that hole inside  
Black hole inside

You're just throwin'  
You're just throwin'  
You're just throwin' stones

Whoa, whoa!
