Throwing Stones

Nonpoint

I will stand In the path of The outcome Of my actions With conviction And the stature Of a believer And a bastard Its the lover Versus the fighter The monster Against the mob That controls us all Molds us all It shows us all Who we really are

Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
Black hole inside

I will laugh In the face of The doubters Oh, the sheep Then they walkin' Through their lives like They were meant for, Absolutely nothing It's the drink us Versus the bombs going off The fire Versus incredible stones Consumin' me Then throw it to me But it will make me Into what you want

Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
(fill that hole inside)

No, not gonna change my mind
No, not gonna change my life
No!
For what you want to decide for me
For me

For me ..

Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
Black hole inside

You're just throwin'
You're just throwin'
You're just throwin' stones

Whoa, whoa!
