

Bump That Mother

North Mississippi Allstars

We go out jukin' on Sunday night
Dancin' in shadow of dirty headlights
Disco ball spinnin', we're swimmin' in stars
Don't make it home, makin' love in the car
Talki' 'about a crazy dance y'all

Let's do the bump that mutha (Bump that mother)
Callin' all sisters and brothers (Bump that mother)
Celebrate one another (Bump that mother)
You gotta bump that mother yeah
She gonna bump that mother yeah

Growin' up in Mississippi we were trouble free
But we learned the stories of the troubled history
Hard to tolerate, hate for people not learnin'
Mississippi state flag stars and bars need burnin'
Dance around the flames, y'all

Got to burn that mother (Bump that mother)
Callin' all sisters and brothers (Bump that mother)
Celebrate one another (Bump that mother)
Burn that mother yeah (Burnin' and pumpin' y'all)
Burn that mother yeah (Burnin' and pumpin')

We do a dance, don't discriminate
Boogie make your hard times disintegrate
If we all sympathize and empathize with one another
We don't have to agree to do the bump that mother

Bump it around
Bump that muther (Bump that mother)
Callin' all sisters and brothers (Bump that mother)
Celebrate one another (Bump that mother)
She gonna bump that mother yeah
We gonna bump that mother yeah
