

Lonesome in My Home

North Mississippi Allstars

Ain't it lonesome, lonesome all in my home alone
Ain't it lonesome baby in my home alone
Well I ain't got nobody, nobody to keep me company

Hey I'm gonna need to go walkin'
Go back down that ol' lonesome road
Hey I'm gonna need to go walkin'
Go back down that ol' lonesome road
Yes if we have reason
'Cause you know you can treat me right

Hey baby, I wanna come home with you
Don't you hear me callin' you?
Hey yeah baby
