

Mean ol' wind died down

North Mississippi Allstars

Hear the wind blowin way on top of the hill
I hear the wind blowin way on top of the hill
Down in the valley, everything is still
I hear the wind blowin way on top of the hill

Climb to the top of the tallest tree
Mean ol' wind died down, mean ol' wind died down
Climb to the top of the tallest tree
Mean ol' wind died down, mean ol' wind died down

I wanna feel the way it sounds
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down

Set me free gravity bound
Set me free gravity bound
Try to fly as high, I'm shackled to the ground
Set me free gravity bound
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down

Don't bury me in this cursed ground
Don't bury me in this cursed ground
When I die let me fly
I'm nothing but a sound
Don't bury me in this cursed ground

Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down

Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
Mean ol' wind died down, mean ol' wind died down
