

Love and music (Love and music does it)
Feels so good, ain't nothin' to it
Feels good, it's good enough for me
Oblivious obviously
We stuck together me and my friends
When we start something around the bend

Tell me what you're all about
Cut me in or cut it out
It's all good, otay
Hurry up, don't be late
Show must go on, but it can wait
What do you know?
Whatever you say
It's all good, otay

Girl, you know I'm gonna miss you
Cant' take it, I can't fake it anymore
So let's not press the issue
You give me something so good it hurts
Sticks to me like a dirty shirt
We'll be together through thick and thin
So fuckin' give it to me, here it comes again

Show me what you're all about
Cut me in or cut it out
It's all good, otay
When push comes to shove
At the end of the day
As a matter of fact, you don't say
What do you know?
Whatever you say
It's all you, otay

Tell me what you're all about
Cut me in or cut it out
It's all good, otay
When push comes to shove
At the end of the day
As a matter of fact, you don't say
What do you know?
We just want to play
It's all good, otay
Otay!
