

## Set Sail Part II

North Mississippi Allstars

Forefathers and mothers we never forget  
Still fighting the fight, we're not giving up yet  
Be it the cool moonlight or the heat of the sun  
We working together 'til the job is done

Oh yes, we workin'  
We workin'  
We workin'  
We gonna keep on workin'  
Yeah, we're workin'  
Come on, we're workin'

We shall meet in the dark  
And fellowship in the light of day  
We will keep on keeping on  
We won't be persuaded  
We won't be led astray  
We won't lose our way  
Shall not be persuaded  
Will not lose our way  
Shall not be lead astray
