

## Up and Rolling

North Mississippi Allstars

Grew up a Mississippi hippie tripping LSD  
Smoking stems 'n seeds and drinking mushroom tea  
We drinking mushroom tea  
We're drinking mushroom tea  
Here's to the Mississippi hippies tripping LSD  
Yeah, we be up and rolling  
Yeah, we be up and rolling  
Smoking them things with our friends  
Yeah, we be up and rolling

Extension cords out the window of RL's single-wide  
Singing through a Peavey, sounding good outside  
He's sounding good outside  
Yeah, cords out the window of RL's single-wide  
Yeah, we be up and rolling  
Yeah, we be up and rolling  
Singing the blues with our friends  
Yeah, we be up and rolling

We love to play these hill country blues 'til you satisfied  
We out on the road, Lord knows, we all love to ride  
Yeah, we love to ride  
We never satisfied  
We out on the road but our home's the hilly countryside  
The hills be up and rolling  
Yeah, we be up and rolling  
Out in the streets with our friends  
Yeah, we be up and rolling
