

You judge, you know better, you think that you are something more,  
I know you're something less.  
You say, you are better, you think that you are so much more,  
I know you're so much shit  
Every day, it goes further, you're loosing everything there's left, and that ain't much.  
Anyway it's wrong, anyway it's bad, anyway so sad that this is where we've come

So sad, so real  
No way, to feel

you don't know  
you don't know  
you don't know shit
