

Window

Now, Now

You spend your money on me, no hesitation
But am I undeserving?
Open your heart up to me, only at a distance
I read each letter shown to me with precision

Don't you know I'm desperate for you?
Every night I'm at your window
Wonder when you're gonna let me in
Don't you know I'm desperate for you?
Every night I'm at your window
Wonder when you're gonna let me in

Each day you hide me from a summer sun
Each day you're hiding me from everyone
But that's the way I like it
It's just the way I like it
(Mm-mm)

Don't you know I'm desperate for you?
Every night I'm at your window
Wonder when you're gonna let me in
Don't you know I'm desperate for you?
Every night I'm at your window
Wonder when you're gonna let me in

Don't you know I'm desperate for you?
(Don't you know I'm desperate for you?)
Every night I'm at your window
Wonder when you're gonna let me in
Don't you know I'm desperate for you?
(Don't you know I'm desperate for you?)
Every night I'm at your window
Wonder when you're gonna let me in
