

Agree to Disagree

O-Town

I lo-lo-love it when we fight fight
We make a mess so we can clean it up all night
I wanna see it in your eyes eyes
That we won't be stopping 'til we see that sunlight
Ya we both know we'll never walk away
It's like a rocket in my heart when you say my name
You're the only one who knows my buttons babe
Light up my buttons babe and make that body say

I got the match if you got the gasoline
You got a temper like something I've never seen baby
I've seen some shit you can't print in a magazine
We keep it hot and make a scene

Agree to disagree oh babe
Agree to disagree no way
We keep it hot and make a scene oh babe
Agree to disagree oh babe

I lo-lo-love it when you're mad mad
When you're on fire it's the best I ever had baby
Turn up the heat, let's lose control
No point in fighting it when we both know
Well it may be easier to walk away
But I know it hits you like a spark when I say your name
I'm the only one who knows your buttons babe
Light up your buttons babe and make that body say

I got the match if you got the gasoline
You got a temper like something I've never seen baby
I've seen some shit you can't print in a magazine
We keep it hot and make a scene

Agree to disagree oh babe
Agree to disagree no way
We keep it hot and make a scene oh babe
Agree to disagree oh babe

Agree to disagree
Agree to disagree
We keep it hot and make a scene
Agree to disagree

Agree to disagree oh babe
Agree to disagree no way
We keep it hot and make a scene oh baby yeah
Oh babe

Agree to disagree oh babe
Agree to disagree no way
We keep it hot and make a scene oh babe
Agree to disagree oh babe
