

Within a fountain of stars  
deforming remnants pulsate  
in eclectic wisdom sublime  
warping quantiles vibrate  
A gargantuan pursuit  
Divine, a glimpse of carbon-based life  
A gargantuan symmetric pursuit, in harmonic order  
monolithic derivation, of seminal repute  
Arise - Emanation of cosmos and time  
Revive - Relinquished, forsaken, deserted mankind  
Omnipresent, eudemonic, abandoned in ecstasy  
Beyond all finite and infinite, quantile elements scintillate  
in serendipity stillborn, a harmonic resonance amain  
Within a fountain of stars  
deforming remnants pulsate  
in eclectic wisdom sublime  
warping quantiles vibrate  
Divine, a glimpse of carbon-based life  
A gargantuan symmetric pursuit, in harmonic order  
monolithic derivation, of seminal repute  
Omnipresent, eudemonic, abandoned in ecstasy
