

Tele He's Not Talking

Ocean Colour Scene

Tele He's Not Talking
Tele he's the one he knows what to say
Knows how to find his own way
He knows the roads by night and by doorways
But watching the light in a hall
Won't change a thing or say at all
What it is that he says

Still he says that I don't know
Still he says that I don't know

I don't why I think about so much
When I don't know what it is I can't say
And I wouldn't change a thing if I believe you all
And scream it in your face

Still I'd say hey I don't know
Still I'd say hey I don't know

Tele deals the cards and draws an ace
And finds himself miles away
Where skies ain't bruised by towers and fumes
Children ain't too young to play
Would I change a thing
I'd change it all
But we're born different days

Still I'd say hey I don't know
Still I'd say hey I don't know

I don't why I think about so much
When I don't know what it is I can't say
And I wouldn't change a thing if I believe you all
And scream it in your face

Would I change a thing
I'd change it all when I'm miles away
Would I change a thing
I'd change it all but we were born on different days

I'd change a thing
I'd change it all when I'm miles away...
