

# All Night

Oceana

Crazy city full of lights  
All the stars are out tonight  
Underneath the purple skies

No hesitation, no laws, no rules  
Let's go all the way  
No slowing down on this rocket  
We do what we want today

We can go twenty-five hours, eight days a week  
Better hold on tight if you're riding with me  
The key's in the ignition, full tank of gasoline, come on

We're goin' all night, livin' young, wild and free  
It's a full-moon baby, no time to sleep  
Tomorrow's my promise for you and me  
So let's go, let's go

We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah, yeah, yeah, yeah

Can I take it somewhere new?  
Where the grass is greener and the sun is blue?  
Tell me baby, can you keep up?  
If not, then what are you here for?

No hesitation, no laws, no rules  
Let's go all the way  
No slowing down on this rocket  
We do what we want today

We can go twenty-five hours, eight days a week  
Better hold on tight if you're riding with me  
The key's in the ignition, full tank of gasoline  
Come on, come on, come on

We're goin' all night, livin' young, wild and free  
It's a full-moon baby, no time to sleep  
Tomorrow's my promise for you and me  
So let's go, let's go

We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah  
We're goin' all night, all night, yeah, yeah, yeah, yeah
