

# Can't Stop Thinking About You

Oceana

Can't stop thinking about you  
Can't stop thinking about you  
Can't stop thinking about you  
Can't stop thinking about you  
I'm out with my friends enjoying myself but  
I can't stop thinking about you  
It's driving me insane, just tagged to my brain  
And I can't stop thinking about you

You got me singing ohhhh ohh hoo  
Can't stop thinking about you  
You got me singing ohhhh ohh hoo ohh ohh  
Can't stop thinking about you

Now I'm chilling and I'm playing  
Why you're messing with my feelings  
They're making stop thinking about you  
Still don't think you get me weak  
Going up me on my feet  
And I can't stop thinking about you

You got me singing ohhhh ohh hoo  
Can't stop thinking about you  
You got me singing ohhhh ohh hoo ohh ohh  
Can't stop thinking about you  
Can't stop thinking about you  
Can't stop thinking about you

You should pay for the pain  
But still feel the same  
You don't know what I'm going through  
Feels good, feels bad  
I'm happy and sad  
Like a drunk I'm hooked on you  
I hate this feeling

Ohhhh ohh hoo  
Can't stop thinking about you (you got me singing)  
Ohhhh ohh hoo ohh ohh  
Can't stop thinking about you

Can't stop thinking About You  
Can't stop thinking About You  
Can't stop thinking About You  
Can't stop thinking About You

Can't stop thinking About You
