

# Mindless Mindless

Oceana

I'm staring at the cracks  
And all the lines  
You wrote to get me home  
It's not over yet  
I'll speak the same  
Until it breaks my jaw  
And it breaks my heart  
To see you this way

So I'll pray for the day  
That new things will come  
To wash these ones away

It's not over yet (3x)  
It's not over at all

I'm stairing at the cracks  
And all the lines  
You wrote to get me home

So I'll pray for the day  
That new things will come  
To wash these ones away

There's something attractive  
In a lack of direction  
And you look so lost  
And oh, you look so lost (2x)  
And oh, you look so lost  
And oh, you look so lost
