

Sweet Violet

Oceana

Yeah man! You hear this!

She awakes to the sound of the siren,
Trouble waits at a door.
Dresses up to match the situation,
Tears are worth crying for.
Then when she walked,
When she talked,
When she ripped off the floor.
Girls are bad, but the guys scream for more.
She don't care about her reputation,
Spring and love are guaranto.

My father said to me: Be what you wanna be.
Protect yourself, believe you can do it.
That filled with jealousy, contain an energy.
You let yourself... Listen to the music.

Sweet violet, treasure to the morning sun, Ohh!
Sweet violet, leave a smile upon everyone, Ohh!
(Listen to the music)

Sweet violet, treasure to the morning sun, Ohh!
Sweet violet, leave a smile upon everyone. Ohh!
(Listen to the music)

Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo

I'm with my head.
I'm not done with the night shift,
Me can't take this no more.
Gotta trigger just to pay my education,
Gotta struggle some more.

My mother said: Life's a journey you will see.
Protect yourself, believe you can do it.
Have faith in the destiny,
Wash that mana to your sheets.
Trust yourself... Believe in your music.

Sweet violet, treasure to the morning sun,
(Listen to the music)
Sweet violet, leave a smile upon everyone.
(Listen to the music)

Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo

Sweet violet, treasure to the morning sun, Ohh!
Sweet violet, leave a smile upon everyone, Ohh!

Take that money, time to play, Ohh!
Don't want to sugar run away,
Don't touch that body.

Take that money, time to play, Ohh!
Don't want to sugar run away,
Don't touch that body.

Don't touch that body,
Touch that body,
Don't touch that body,
Touch that body,
Don't touch that body,
Touch that body,
Don't touch that body,
Touch that body.

Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo
Alle alle ollo
(Sweet violet, treasure to the morning sun)
Alle alle ollo

Listen to the music!
