Of Mice & Men

Loose lips sink ships,
So I'll keep silent.
Suggest your words stay in your mouth.
It's never ending,
The cycles ascending,
People keep asking,
I'm not here.

I don't really think
That you've ever walked a mile in my shoes.
I don't really think
That you know what I've been through.
What I've been through

All your life,
I wish you would have learned
To swallow your pride.

And stop preaching,
I know what you're thinking,
You're so far above me,
In your mind.
All the power and glory forever,
We share this together I will never,
I will remember what I've become.

I'm finding out,
The only thing left to lose is time.
With all these doubts,
The worst parts behind me.

Don't forgive me,
Please,
I don't want this

Only when I'm back at home,
I will
Only when I'm back at home,
I will,
Don't forgive me,
I'll forget you,
Write this on the wall.

You don't know what I've been through,
I've been through,
I've been through,
I've been through.
