

# The Ballad of Tommy Clayton & the Rawdawg Millionaire

Of Mice & Men

We'll bring you to your knees  
You cannot see something you cannot please

We'll bring you to your knees  
You cannot see something you cannot please

I met a girl with predictable ways  
Open doors, yeah she's here to stay  
Come clean, just open your mind  
Shut those legs girl it's closing time

Oh faithful, I'm amazed to find you look that way  
Oh faithful, put away the pills come waste away with me

You see these hospital walls are full  
From the bodies of all the dead  
It's spreading around the room just like you  
Wants to be fed

Bloody hands stop beating hearts  
Bloody hands stop beating hearts, oh

Bloody hands

We'll bring you to your knees  
How can you be something you cannot see?  
We'll bring you to your knees  
How can you see something you cannot please?

Black, block out the sun  
Blot out your eyes  
Pray for the ones you love

The sun runs from the sky  
Beg for your life  
Pray for the ones you love

Black out the sun  
We'll block out your eyes  
Pray for daylight  
Your time has come

This is the get off  
I can't give up now

Oh faithful, I'm amazed to find you look that way  
Oh faithful, put away the pills come waste away with me

Oh faithful, I'm amazed to find you look that way  
Oh faithful, put away the pills come waste away with me

Come waste away, with me  
It's all in your head

It's all in your head  
If you see it, just close those blue eyes, like you mean it
