

Won't be mistaken with the saints of youth  
God's backed up again  
I swear, when I scream  
We're not home again

Run from your problems  
But you cannot run from yourself  
But you cannot run from yourself  
You'll take this back

Broken I've lied  
Pick up the pieces  
You'll try to to live for yourself

How can you live for yourself?

Live how you wish, but live as if you'll die today  
I won't stop until I can reach out and get this off my chest  
A sense of direction to lead you home again

Mind your tongue  
And save your breath for someone else  
You won't believe me  
We're not the same 'cause I dig  
And I dig you too

Conformed in writing  
I will fight for the sake of you

I will fight for this

Dream if you'll live forever  
Dream for me

Broken down I've tried to pick up the pieces  
You lied  
You live for yourself  
Yourself
