

Alter Eagle

of Montreal

I went to Lille
Saw "Clash of the Titans"
Cracked the egg I was born in
There was nothing inside it yet
Just a face for a name I forget

Hold my place while I
Check my style in an eagle shaped mirror!

Can I help you?
Yeah, I'm looking for some neon prescription glasses
that, you know, will glow when all the lights are out
when I am trying to quantify the weight of God.
Wait, I'll wait
