

Only You

Offer Nissim

Gone...

Gone...

Gone...

Keep on believing...

Keep ob believing...

Tell me what do you feel

Baby, when I move

There's no way you turn around

I tell you what I feel

Baby when I look

I'm seeing you all around

Baby, it's you... Only you

Baby, it's you... Baby, it's only you

Tell me what do you feel

Baby, when I move

There's no way you turn around

I tell you what I feel

Baby when I look

I'm seeing you all around

Gone... Oh... Gone... Oh...

Baby, it's you... Only you.

Baby, it's you... Baby, it's only you.

You...

Baby, it's only you...

Baby, it's only you...

Baby, it's only you...

Baby, it's only you...

Baby, it's only you...

Baby, it's only...

Baby, it's only...

Baby, it's only you...

Keep on believing... (baby, It's only, baby it's only you)

Keep on believing... (baby, It's only, baby it's only you)

Baby it's you... baby, it's only you.
