

# Can't Repeat

The Offspring

**Ami**

1. I woke the other day

**C**

And saw my world has changed

**F**

**G**

The past is over but tomorrow's wishful thinking

**Ami**

I can't hold onto what's been done

**C**

I can't grab onto what's to come

**F**

**G**

And I'm just wishing I could stop, but

**Ami**

R: Life goes on

**C**

Come of age

**F**

Can't hold on

**G**

Turn the page

Time rolls on

Wipe these eyes

Yesterday laughs

Tomorrow cries

2. Memories are bittersweet

The good times we can't repeat

Those days are gone and we can never get them back

Now we must move ahead

Despite our fear and dread

We're all just wishing we could stop, but

R: Life goes on...

Time rolls on...

3. With all our joys and fears

Wrapped in forgotten years

The past is laughing as today just slips away

Time tears down what we've made

And sets another stage

And I'm just wishing we could stop

R: Life goes on...

Time rolls on...

Time rolls on
