

Change The World

The Offspring

F#mi **E** **H**
1. I see the way the salesmen stare into the sun
F#mi **E** **H**
I stood and watched them as they fell off one by one
F#mi
And everyone's so blind
E **H**
They're not to help mankind
F#mi **E** **H**
Reach into your bag of tricks and pull another one

A **E**
R1: Oooooooooo
H
You don't want to change the world
like you say
A **E**
Oooooooooo
H
You're in it for yourself
C#mi **D**
No one else
F#mi **E**
You're ready saving yourself
H **F#mi**
You're gonna change the world
F#mi **E**
You're ready saving yourself
H **F#mi**
You're gonna change the world

2. Now when the day is set they'll line up all the same
And those that need the most will never get or gain
The ones you call your friends
Are failing you again
Reach into your bag of tricks and make it go away

R1: Oooooooooo...

F#mi **E** **H**
R2: And since you ain't what you say
C#mi **D** **F#mi**
Then just go away
E **H** **F#mi**
Cause some don't lie
E **H** **F#mi**
Some don't lie

E **H** **F#mi**

F#mi
*: Go on now they won't tell
E **H**
Go on now and save yourself
F#mi
Go on now they won't tell
E **H**

Go on now and save yourself (2x)

R1: Oooooooooo...

R2: And since you...
