

# Cruising California (Bumpin' in My Trunk)

The Offspring

Boom, boom, boom  
Turn up the beat, yeah  
Ooh, ooh, ooh,  
I wanna feel it  
California - don't cha wish that you could come  
Cause we're never going home  
Till the summer's all gone

[Verse:]

Ahh, summertime and the living's easy  
Cruisin', bumpin' my Huntington Beach  
Cause the sun will shine  
We have a good time  
They all line up for a bump and grind

And the girl that you want  
Is directly out in front  
And she's waving her caboose at you  
You sneeze  
Achoo  
She calls you out woo hoo!

'I know you heard that bass  
Bumpin' in my trunk  
B-bumpin' in my trunk  
B-bumpin' in my trunk' - Oh yeah!

'I know you heard that bass  
Bumpin' in my trunk -uh huh  
B-bumpin' in my trunk - uh huh  
B-bumpin' in my trunk' - Let's go!

[Chorus:]

Boom, boom, boom  
Turn up the beat, yeah  
Ooh, ooh, ooh,  
I wanna feel it  
California - don't cha wish that you could come  
Cause we're never going home  
Till the summer's all gone

[Verse:]

The sun goes down  
The fire pits leap  
It's another summer night here in the OC

Well I'm not no baller  
Though I do have an Impala  
And I might say hey  
But I'd never say holla

And the girl with the gloss  
And a G-string just like floss  
Well she's waving her caboose at you  
I bet you do!  
She calls you out woo hoo!

'I know you heard that bass  
Bumpin' in my trunk - Uh huh  
B-bumpin' in my trunk - Uh huh  
B-bumpin' in my trunk' - Bump that trunk!  
'I know you heard that bass  
Bumpin' in my trunk -Uh huh  
B-bumpin' in my trunk - Uh huh  
B-bumpin' in my trunk' - Let's go!

[Chorus:]

Boom, boom, boom  
Turn up the beat, yeah  
Ooh, ooh, ooh,  
I wanna feel it  
California - don't cha wish that you could come  
With the radio on  
Blazin' all summer long

Boom, boom, boom  
You're all up freakin'  
Ooh, ooh, ooh,  
My friends are drinkin'  
California - don't cha wish that you could come  
Cause we're never going home  
Till the summer's all gone
