

Denial, Revisited

The Offspring

F

So here we go

Es

B

Having the same old fight again

F

There she goes

Es

B

Same old game that never ends If I could say

The right words

I know I could make you stay

If I could say

The right words

Things would work out all right

Es

And if you go

B

I won't believe

F

That it's forever

And you can go

But I'll never leave

Cause it's not over

Replay last night

Talking it out don't make it right

I know she's tried, but my whole world

Is her and all we've got now

And if you go

I won't believe

That it's forever

I won't let go

F

Even if she say that it's over

Es

I know it'll be

B

Different this time

As

B

If you'd just stay

Es B F

And when we wrote this story

How did it end?

It was you and me for all our lives

Come on, don't say it

We'll try again

And if I'd just hold you

We could last

But she stands softly

Tears down her face

Hitting me, oh god

This is the end
I'd wait here for you
But there's nothing more now I can do
How did you know
How did you know
How did you know
Finally
