# **Fix You**

#### The Offspring

## D

She wakes up Rage and grace **A** Pulling me closer, pushing away And me **C** The sharpest thorn on your vine **G** Twisting and turning We're all intertwined

## D

Broken wing Empty glass **A** Words that scream and bounce right back **C** She says, you know **G** We'd all like to rearrange

#### DACG

D I wish I could fix you A And make you how I want you C I wish I could fix you G And I wish you could fix me

D I wish I could heal you A And mend where you are broken C I wish I could heal you G And I wish you could heal me

Ha la la la

A beaming sunrise buries the night The setting sun destroys the light Then she says, baby, I've gotta get going Cutting each other Without even knowing

She sees a million stars like holes in the sky All God's tears for her they cry And I am in her rain
