

Dinner

Oh Wonder

Some days I can be quitter
Never see the point in tryna cook ya dinner
When you eat me love me say you'll fuck me till I'm bitter
Cause then I'm bitter

Some days I go in like a killer
Put my guard up high and walk out with a shimmer
Look em in the eye without distraction I'm a person of attracti
on
I'm a winner

Life is a balancing act
I'm bad at it and that is a fact
I'm crazy
Trying not to be crazy

Don't think you're better than that
The truth is that you're holding me back
Cause I'm crazy
Trying not to be crazy
