

Nebraska

Oh Wonder

There's so many ways to say "I love you"
And I wouldn't wanna waste 'em
On someone who, don't feel it too
So many ways to say "I love you"
I love you, I do

And there's so many ways to leave a person
And I wouldn't wanna do 'em
But somehow you, you cut me loose
So many ways to leave a person
Can't do it to you

Been to Nebraska, I've been to Rome
I've walked the desert and swam below
Climbed many mountains, travelled the skies
I've been to Heaven, oh, how I've tried

To get you out my mind but
You're still home
To get you out my mind but
You're still home
Can't get you out my mind
'Cause you're still home
Can't get you out my mind
'Cause you're still home, you're still home

There's so many ways to find a meaning
And I wouldn't wanna chase 'em
Guess I'm okay, get by somedays
So many ways to find a meaning
A reason to stay

And there's so many ways to say, "I need you"
But I wouldn't wanna waste 'em
On someone who don't feel it too
So many ways to say, "I need you"
I need you, I do

Been to Nebraska, I've been to Rome
I've walked the desert and swam below
Climbed many mountains, travelled the skies
I've been to Heaven, oh, how I've tried

To get you out my mind but
You're still home
To get you out my mind but
You're still home
I can't get you out my mind
'Cause you're still home
Can't get you out my mind
'Cause you're still home, you're still home

You're still home
You're still home
You're still home
You're still home
