

Creature Of Comfort

Olive

What he has is yours to find
It's a wonder what he keeps in his selfish mind
What I need's not carved in stone
But when honestly's in doubt he can stand alone

He is a creature of comfort
Don't think he'll change
Making the most of what he has
I'm going to suffer no shame
Creature of comfort
Don't think he'll change
Wasting the best years of my life
I'm going to shoulder no blame

I'm not sure what he'll do
His priority is him, selfless thoughts are few
May I be just once so bold
If it's all I ever do, I'll make sure your told

He is a creature of comfort
Don't think he'll change
Making the most of what he has
I'm going to suffer no shame
Creature of comfort
Don't think he'll change
Wasting the best years of my life
I'm going to shoulder no blame

He is a creature of comfort
Don't think he'll change
Making the most of what he has
I'm going to suffer no shame
Creature of comfort
Don't think he'll change
Wasting the best years of my life
I'm going to shoulder no blame

Come with me make my day
With no shadow of a doubt I'll make sure you'll pay
Watch my face, time runs by
After all you've ever done, you won't see me cry

Creature of comfort
Best years of my life
