

In Love With You

Olivia Ong

More than attraction
Sing my affection
I know it in my heart
You're the one for me

No more a distant memory
My time will fly away
Hold you in my heart
And I'll play my part
You wanna know how I feel about you
I want you

I open my heart to you
Love me
Won't make laughs
I love the way you gaze to my eyes
You and I
And all the sparks flying between us turn to love

Fly away, fly away
It's magical
It's wonderful
Just the two of us
Dangerous
I'm in love with you

With you, I'm with you
It's magical
It's wonderful
Just the two of us
Dangerous
I'm in love with you

No second-guess here
I'll back and disappear
I know it in my heart
You're the one for me
Taken a hold on me, touch
Sweet as it can be
You know you'll moan my heart
And I'll play my part

You wanna know how I feel about you
I want you
I open my heart to you
Love me
Won't make laughs
I love the way you gaze to my eyes
You and I
And all those sparks flying between us turn to love

Fly away, fly away
It's magical
It's wonderful
Just the two of us
Dangerous
I'm in love with you

With you, I'm with you
It's magical
That's wonderful
Just the two of us
Dangerous
I'm in love with you

Fly away, fly away
It's magical
It's wonderful
Just the two of us
Dangerous
I'm in love with you

With you, I'm with you
It's magical
That's wonderful
Just the two of us
Dangerous
I'm in love with you

(Fly away, fly away)
(Fly away, fly away)
(With you, I'm with you)
(Fly away, fly away)
(Fly away, fly away)
(With you, I'm with you)
I'm in love with you
