

My Daddy

Olivia

Nobody does it Better
My Daddy from the Streets
He put it on me til i feel weak in my knees
While he was in it had me screaming yes it's yours
Ever since ya girl been running back for more
He hits it down i ??
Arest me i surrender
And I wont leave him ever
'cause he's my Daddy for sure
He's My daddy for sure
Yes he's my Daddy for sure

He's My Daddy he treats me right
Does the things he knows I like
I'm his girl and I keep it tight
'cause he's home all night laying down that pipe
When he calls me I'm on my way
Hold him down each and every day I
Got his back 'cause he's my baby
See the lovin's crazy
So forget what people say

'cause I know
There Ain't Nobody better
He knows
I'm down to do whatever
I know
We'll always be together
He's My Daddy Yeah
I Know
There's Something special bout him
He knows
That I would never doubt him
I feel
Ain't no life without him
He's my Daddy Yeah

Nobody does it Better
My Daddy from the Streets
He put it on me til i feel weak in my knees
While he was in it had me screaming yes it's yours
Ever since ya girl been running back for more
He hits it down i ??
Arest me i surrender
And I wont leave him ever
'cause he's my Daddy for sure
He's My daddy for sure
Yes he's my Daddy for sure

When I'm with him it's all so real
Specially when he's behind my wheel
Drive me baby hit the gas let's go
Gear one, gear two
Daddy Tell me how it feels
Now sometimes when the road gets rough
We break up just to make back up I
Can't deny makes my body rush with his tender touch he gives me just enough

'cause I know
There Ain't Nobody better
He knows
I'm down to do whatever
I know
We'll always be together
He's My Daddy Yeah
I Know
There's Something special bout him
He knows
That I would never doubt him
I feel
Ain't no life without him
He's my Daddy Yeah

Nobody does it Better
My Daddy from the Streets
He put it on me til i feel weak in my knees
While he was in it had me screaming yes it's yours
Ever since ya girl been running back for more
He hits it down i ??
Arest me i surrender
And I wont leave him ever
'cause he's my Daddy for sure
He's My daddy for sure
Yes he's my Daddy for sure

See I'll ?? if he don't pick up the phone
Know who he witting I ain't leaving him alone
I push the whip I climb the seat I'm in the zone
And I think about my Baby boy coming home

See a rich n**** will never fill his shoes
'cause if I need him best believe he's coming through
If you don't like him don't expect to still be cool
'cause the way he hits me off if I left I'd be a fool

Nobody does it Better
My Daddy from the Streets
He put it on me til i feel weak in my knees
Once he was in it had me screaming yes it's yours
Ever since ya girl been running back for more
He hits it down i ??
Arest me i surrender
And I wont leave him ever
'cause he's my Daddy for sure
He's My daddy for sure
Yes he's my Daddy for sure
