

Silly Bitch In Love

Olivia

There's two things you don't fuck with
A girl's dough, and her heart
So I'm here to let y'all niggas know, fo' sho

Gave you my money, let you push my Benz
Up in my 600 chillin' with your friends
Boy I gave you everything you need
Guess I was
A silly bitch in love, oh oh oh

All of my girls said "he's playin' you"
But I said "mind you're business cuz that ain't true"
Boy, you had me twisted and all confused
No more am I
A silly bitch in love

I was so silly (silly)
I was wide open (open)
I was in love (your love, your love, oh oh)
Yes I was a silly bitch in love, oh oh oh

You had a dime but you cashed it in
I let you play me again and again
How many nights must I curse myself
Guess I was
A silly bitch in love, oh oh oh

You remember all the time you spent
Out all night, just clubbin'
Comin' home, and then
I still gave you my lips, my hips
All of my chips, I guess I was
A silly bitch in love

Kept you draped in Dulce and iced out Roley's
Foolish enough to believe anything you told me
You had to ?? and you got the ??
But my love was the toss
And you had me lost
Yes I was a silly bitch in love, oh oh oh

You had other bitches in my car
(Go ahead keep the Roley and the Benz)
Now you got other bitches wearin' my bra?
(I ain't mad, I ain't mad)
Nigga you ain't know you was fuckin' with a star
(I ain't mad, I ain't mad)
Ain't that bitch puttin' up with that silly shit no more
(Silly bitch in love)
Nigga you out the door

I was so silly (to let you push my Benz)
I was wide open (I didn't listen to my friends)
I was in love (I guess I was)
Yes I was a silly bitch in love, oh oh oh

Silly bitch in love, oh oh

Oh oh, oh oh
Oh, oh, oh oh
Silly bitch, silly bitch
No more am I
(Silly bitch in love, oh oh oh)

So silly, oh oh, oh
How could I let you treat me so bad?
Lost in love, lost in love
(Silly bitch in love, oh oh oh)
Silly, silly bitch
