

# Woop-T-Woo

Olivia

I'm sick and tired of you coming home late  
I look across the table, all I see is a cold plate  
Uh You Don't know how it feels  
Sleepin' under cold sheets  
While your out runnin' the streets  
I'm crying myself to sleep noo

I'm sick of your woop-t-woo  
Ain't taking no shit from you  
Is it me or your crew?  
Let me know 'cause I'll go

Now I don't wanna hear about  
How you say shit is gonna change  
See maybe for a day or two  
Then it's back to the same old you  
You'd rather be with Bob, Rob, and Dave  
On th corner shooting dice game  
See baby I gotta know  
If that's the way it's gonna be  
Then hell no

I'm sick of your woop-t-woo  
Ain't taking no shit from you  
Is it me or your crew?  
Let me know 'cause I'll go

Everyday all I feel is pain  
And when we make love it'll feel the same  
You don't give a damn about the way I feel  
(You don't give a damn, no you just don't give a damn)  
So let me know the deal  
'Cause boy I'm tired of missing you  
(Boy I'm tired of missing you)  
All my lonely days are through  
(All my lonely days are through)  
Baby when you think of me  
(Baby when you think of me)  
You'll see what you lost  
(You'll see what you lost)  
(No more crying)

I'm sick of your woop-t-woo  
Ain't taking no shit from you  
Is it me or your crew?  
Let me know 'cause I'll go

I'm sick of your woop-t-woo  
Ain't taking no shit from you  
Let me go  
I don't wanna be with you  
Don't come back home  
I change the locks  
I put your stuff  
Outside in a box  
Your shirt  
Your jeans

Your Tims  
Damn I don't want you no more  
Sick of your woop-t-woo  
Sick of your shit  
Is it me or your crew?  
Oh uh Ooooh uh  
Takin' no shit from you nooo
