

Can't Say No

Olly Murs

You can take my car, don't care about it
But you're my style, can't live without it
I need your heart, no way around it
So baby tell me, tell me, tell me that it's on tonight

I like those bad girls, who scream the bad verse
Whisper your nasty little secrets in my ear
Tell me your passion, I'll make it happen
If you don't know then let me make it crystal clear

I can't wait to get you home
So many ways to turn you on
Just let your fears come off like clothes
O know you feel what I'm feeling
So no, you can't say no

Give it to me now, give it to me now
You know you feel what I'm feeling
So girl, you can't say no

So take my money, don't need to have it
I need your body, I'm like an addict
Girl, it's your world, you've got the magic
So baby tell me, tell me, tell me that it's on tonight

I like those bad girls, who scream the bad verse
Whisper your nasty little secrets in my ear
Tell me your passion, I'll make it happen
If you don't know then let me make it crystal clear

I can't wait to get you home
So many ways to turn you on
Just let your fears come off like clothes
O know you feel what I'm feeling
So no, you can't say no

Give it to me now, give it to me now
You know you feel what I'm feeling
So girl, you can't say no

Wanna see that body, body, oh
Wanna see that body, body, oh
Wanna see that body, body, oh
Wanna see that body, body, oh

I can't wait to get you home
So many ways to turn you on
Just let your fears come off like clothes
O know you feel what I'm feeling
So no, you can't say no
