

Please Don't Let Me Go

Olly Murs

1. Where do I begin?

Should I tell you
How bad I need you know
You're underneath my skin
But I'm confused

My head is spinning all around
I waited so long
I need to know, darling
What is on your mind

P: Normally I try to run

And I might even want to hide
'cause I never knew what I wanted
'til I looked into your eyes
So am I in this alone?
What I'm looking for is a sign
That you feel how I feel for you

R: Baby please don't let me go

Baby please don't let me go
Baby please don't let me go
No, please don't let me go
Baby no, no, no, no

2. What else can I say?

(Can I say)
My heart is beating double time, yeah
And do you feel the same?
(Do you feel the same)
Don't leave me in the dark, no
But baby don't put out this spark, no
I waited so long
I need to know, darling
What is on your mind

3. Caught in the inquisition

Under these conditions
I need a definition
Is it love that we're sharing?
Show me that your caring
You see my fascination
Tell me I'm not mistaken
Give me the information I need

Baby, please don't let me go (Don't let me go)
Baby, please don't let me go (Don't let me go)
Baby, please don't let me go (Don't let me go)

Baby no, no, no, no
