1. Where do I begin?
Should I tell you
How bad I need you know
You're underneath my skin
But I'm confused
My head is spinning all around

My head is spinning all around I waited so long I need to know, darling What is on your mind

- P: Normally I try to run
  And I might even want to hide
  'cause I never knew what I wanted
  'til I looked into your eyes
  So am I in this alone?
  What I'm looking for is a sign
  That you feel how I feel for you
- R: Baby please don't let me go
  Baby please don't let me go
  Baby please don't let me go
  No, please don't let me go
  Baby no, no, no, no

2. What else can I say?
 (Can I say)
 My heart is beating double time, yeah
 And do you feel the same?
 (Do you feel the same)
 Don't leave me in the dark, no
 But baby don't put out this spark, no
 I waited so long
 I need to know, darling
 What is on you mind

P: R:

3. Caught in the inquisition
Under these conditions
I need a definition
Is it love that we're sharing?
Show me that your caring
You see my fascination
Tell me I'm not mistaken
Give me the information I need
