

## Chameleon Skin

Omnium Gatherum

Sleep!  
To slip through realms  
A light beam  
To fulfill the shadow  
And a team  
Is sometimes what you  
-need-  
Growing stronger by the nano(aeon)  
Then pay heed  
To what I say,  
No more day by day  
Sin-king  
Into agony

See  
Now the shape is  
Different again  
And again  
Back to  
Little old me

From time to time  
You have to be  
Like  
A chameleon dream

Bliss  
Growing more silent  
By the aeon  
Then  
Pay  
The need  
To hear  
What  
I say

No more  
Endless awaken hours  
Never to dream hopelessly  
Climbing  
The snake-skin-thing
