

Foundation

Omnium Gatherum

Where is the freedom
Solemnly fought for
Throughout the vast it will last
It doesn't depend on any thing
It surrounds every thing
Every one
A foundation of none

Some day
Like to day
No more searching
Anymore

See (the thing is) it is bound
For the time it is a round
The lessons the swing
Forth and back
The responsibility is there
And here
Not a game for the weak
A sanity to seek
