

## Refining Fire

Omnium Gatherum

Can't you hear the wise one say:  
"What is sin? What is this thing...?"  
Can't we see the ones who play  
They say: "This is our day!"

You are loving it  
You are leaving it  
You are seeding it  
You are killing it

From sunrise to sunrise  
Our love reigns supreme  
Mightier than any tide  
Anytime

First and last thing on the mind  
Is how to fly and how to die  
You are truly one of a kind  
Yet aligned, yet aligned

Killing it

From sunrise to sunrise  
Our love reigns supreme  
Mightier than any tide  
Anytime

From sunrise to sunrise  
Our love reigns supreme  
Mightier than any tide  
Anytime

You are awake now  
Shining somehow

Can't you hear yourself say

From sunrise to sunrise  
Our love reigns supreme  
Mightier than any tide  
Anytime
