

## Rejuvenate!

Omnium Gatherum

Flames three a flame  
"Games" all sinners say  
The freedom of choice  
Is a freedom of noise  
Choosing ain't the issue  
And playing the game's not there to be won  
Am I the one  
Or for the one

No god in sight  
Says a man who looks for one  
Are we alive or not  
A-live or what

Would one believe  
The beauty as obscene  
How does it feel  
Understanding  
How do you feel to-day  
How do you feel the way  
We are alike  
Are we alive

Expressed feelings  
To save the day  
Reasonably still  
Knowing in-side-out

For it matters not  
Who is said to be to known  
Or how one is now  
For it matters not  
Why things are shown
