

# The Great Liberation

Omnium Gatherum

None to one  
Understanding  
Two to be come  
Its never ending  
A PART OF THE SEEING  
Is within forever AND NEVER  
Bits of us are falling like fecies  
AND THEY ARE A PART OF THE FEAST  
Can one be ever with forever

So believe in darkness  
The one embrace of the night  
Believe in darkness  
Like you believe in light

As for the witness being there  
All are accounted for  
AS FOR THE PRICE  
Never needed to be there  
Anywhere  
In truth  
In beauty and understanding  
Seeing the reason purest of the heart  
Not likely too far
