Look me in my eyes
Tell me what your feeling
Is it me and you
I need to know if your willing
To go all the way way
I don't wanna look crazy (don't)
(Wanna look) look crazy (I) (don't)
(Wanna look) look crazy

(Imagine this)
Foldgers in ya cup
Breakfast in bed
How ya like ya sausage and eggs (imagine this)
All filled up
Let's hit the shower
Let's call ya boss
You taking off
Tell him But I gota know if your down with me
Cause I don't wanna look crazy (no)
If I give you all of me
Loving ya baby if you really ain't in it oh my love
@ my love twitt ya love let's make it world wide
But please let me know if your ready

Keep it real baby Don't play with me Get ya night clothes Come stay with me Ignore all them calls cut ya phone off Get rid of that bra take ya thong off Late night rondezvou we on fluid Like brand new box of nike Me and you just do it 12 play baby bump and grind to the music Shawty you a cutey man I swear I'm bout to lose it Open up and let the drive in like a movie Got you goin dumb Cause my sex game stupid Uhaul booty baby girl just move it And you only get one chance to prove it I can't wait for that sexual contact

Bedroom war gang sexual combat I only got one night in town Break down or be clowned Baby call are you down?
