

## All Thats Best in You

### One Less Reason

You've grown so much, you've come so far.  
I never thought we'd end up here.  
I know i have seen this picture before.  
It reminds me of you when you were home.

Sometimes you're all I see  
Sometimes you're all i feel.

I wanted to tell you goodbye and know that you're safe.  
Now that the pain is gone the love remains.  
I know all my faults turned out to be so true  
I couldn't see all that was best in you.

Words so hard they broke your heart.  
Robbed you of you're smile that would save the world.  
A friend I'm owed for a friend I lost.  
A friend that never left me unsure.

Sometimes I don't believe  
And sometimes it's everything.

I wanted to tell you I lied and I made mistakes  
And when i failed in life, it was you I blamed  
All my faces that you could see right through  
I couldn't see all that was best in you.

You are my hope when giving in. You are the ink under my skin  
You are the day that I await, You are the only chance I'll take  
You are all I am and was before. The things I hate and I adore  
My handfull of hope and a little more.

I wanted to tell you a tried, to make it ok.  
But with just one letter gone I lost the name  
Of that little boy that was smiling back at you.  
He could see all that is best in you.
