A Day In The Light Of

One Minute Silence

I climbed up a tree to see if I could get to you I climbed up a tree I crashed to the ground I climbed up a tree to see if I could get to you I climbed up a tree I'm not coming down I can't let it be, the man on the street says I can't let it be, we're doing fine I can't let it be, I'm doing fine I can't let it be, I'm doing fine I climbed up a tree to see if I could get to you I climbed up a tree crashed to the ground I climbed up a tree to see if I could get to you I climbed up a tree I'm not coming down To read and write, not to read what's right The difference can blind for life Up into the light, the fight continues I continue to fight, despite all I see The blatant apathy, or just the illusion of it Life sure knows how to pack a punch The Bundys, not the Brady Bunch next door X-rated hardcore step up take the floor Tell me what you see Mysterious ways just doesn't do it for me I climbed up a tree to see if I could get to you I climbed up a tree I crashed to the ground I climbed up a tree to see if I could get to you I climbed up a tree I'm not coming down I can't let it be, the man on the street says I can't let it be, we're doing fine I can't let it be, I'm doing fine I can't let it be, I'm doing fine I climbed up a tree to see if I could get to you I climbed up a tree crashed to the ground I climbed up a tree to see if I could get to you I climbed up a tree I'm not coming down To fight for life, not to fight for life The wrong road can lead to Christ A day in the life of, in spite of Those who have turned the lights off To write me up as a write off Wrong move, Wrong move To write me up as a write off, Wrong move As good as it gets Get used to it Nobody's coming for you

Who's coming for me? Guess As good as it gets Get used to it Nobody's coming for you

Who's coming for me? Guess
