

# Fish Out Of Water

## One Minute Silence

I'm done with yesterday, tomorrow I will drop today  
I cannot operate on what I can and cannot say  
I put my foot in it - tomorrow is another day  
Some you win some you lose, the fish are out of water

You're bringing me down - Loser  
You're bringing me down - Loser  
I too have swallowed it, the promise of a better day  
And blind is one thing but now the picture is grey  
A little negative, but negative is how we play  
Some you win, some you lose  
The fish are out of water

You're bringing me down - Loser  
You're bringing me down

I turn it on again and you're gone  
I turn it on again and you're gone  
I turn it on again and you're gone  
I turn around again  
I turn it on again and you're gone  
I turn it on again and you're gone  
I turn it on again and you're gone  
Some you win, some you lose  
The fish are out of water

I guess I'm ready, I'm as ready as I'll ever be  
It comes when it comes, it comes for everybody  
Make no mistake about it, it will come for you  
Some you win, some you lose  
The fish are out of water

You do what you do, let me do what I do  
I'm gonna do it anyway, so why not do it too  
And what if 'what if' turns out to be 'that's it for you'?  
Some you win some you lose  
The fish are out of water

Me again, it's me again  
Ain't I what the whole world wants to be?  
Me again, it's me again  
Last of the great pretenders my friend

Me again, it's me again  
Ain't I what the whole world wants to be?  
Me again, it's me again  
Last of the great pretenders my friend
