

The Good Kind - The Wreckers

One Tree Hill

'Do you wanna run away together?'
I would say it was your best line ever
Too bad I fell for it

And I walked along
Waiting for you to come along
Take my tortured heart by the hand
And write me off

Do you know I cry?
Do you know I die?
Do you know I cry?
And it's not the good kind

Oh you forced to become strong
And I just cried, being weak
And you think you know
And I would like to think so
But do you know that when you go
I fall apart

Do you know I cry?
Do you know I die?
Do you know I cry?
And it's not the good kind
No, you not the good kind

I'm tired of hiding behind these lying eyes
I'm tired of this smile that even I don't recognize

Do you know I cry? (Do you know I cry)
Do you know I die? (Do you know I die)
Do you know I cry? (Do you know I cry)
And it's not the good kind

Do you know I cry? (Do you know I cry)
Do you know I die? (Do you know I die)
Do you know I cry? (Do you know I cry)
And it's not the good kind

Do you know I cry? (Do you know I cry)
Do you know I die? (Do you know I die)
Do you know I cry? (Do you know I cry)
And it's not the good kind
No, you're not the good kind

Do you know I cry?
